

We would like to thank everyone for their kind messages and inquiries regarding the staff and resort during Hurricane Ian.

Our first priority is certainly the safety of our staff and at this time, we do not believe any of our team members or their families to have been severely affected. The team is currently on-site assessing the resort for damages incurred as a result of Hurricane Ian.

We know many of you have questions about your site date and upcoming winter reservation. We will do our best in following up with each of you in a timely manner. Please know that once our full assessment is complete we will be posting messages on our [Facebook Page](#) and Website to keep all of you informed.

Thank you,

Jay and the staff at Seasons in the Sun
